## POLICE GET FIVE IN HEPPLER HOUSE RAID

Chief Kreiter Refuses to Give  
Any Information—Previous  
Efforts of the Police to Pull  
House Were Failures.

The police raided the Daniel Hepler house in the 1100 block on S. Union st., at midnight Wednesday. Five persons were taken into custody. This residence has been known to the police for many months, but previous efforts to raid it, notwithstanding the protest of the residents in the locality as to its character, have been futile on the part of the police department.

Early in January a Saturday night raid was attempted but the inmates were evidently tipped off and no arrests were made. It is said that the people living in the locality have frequently complained to the authorities but nothing effectual was ever accomplished until Wednesday evening.

Chief Kreiter absolutely refused to give any information concerning the raid, excepting to state that five men were arrested in the alleged house of ill-fame.

## HANDICAPS FEATURE FOR LOCAL STATE BOWLERS

Interest in the Mishawaka handicap portion of the state bowling tournament is running high. Before the tournament started it was decided to run a contest among local bowlers, using the handicap. A number of the business men put up many prizes, including considerable money. Thus far the Hoosiers, in the five-men event, are leading with a total of 2839 pins. The Amateurs are not far behind with 2821 and the Canadians 2816.

Thursday the teams from the Commercial league will bowl and some high scores should be registered as they are the holders of some large handicaps.

The high score for five men, 2563, Wednesday evening, was rolled by the Ball Bands.

Cochran of Lionier topped 516 in the singles, shooting a consistent game with scores of 172, 172 and 171, respectively. Hutchinson and Starr of the same town totaled 1024 in the doubles.

## "TIGER" OPERATORS GET 90 DAYS IN JAIL

Mr. and Mrs. Daniel Hepler  
Fined and Sentenced for  
Conducting House of Ill Fame  
and Blind Tiger.

Daniel and Elizabeth Hepler of 1207 S. Union st., arrested Wednesday at midnight in a raid by the police on their home, pleaded guilty in the city police court Thursday morning to charges of conducting a house of ill fame, and to charges of running a blind tiger, but were found guilty by Judge Peig after trial and each for both charges were given a fine of \$100 and costs, amounting to \$110, and 90 days in the county jail. The fines were suspended, but the couple will be compelled to serve out the jail sentences.

Anne Geisel, alias Anne Graves, arrested in the same house on a statutory charge, pleaded guilty, as did two prominent young men of this city, to charges of frequenting the house.

Anne Geisel was fined \$50 and costs, and given a suspended sentence of 30 days. The young men were each fined \$10 and costs amounting to \$20, and given suspended jail sentences of 10 days.

Anne Geisel was the first on the stand and told the court that she was just 21 years old. She stated that LaPorte was her home, but that she had come to Mishawaka Wednesday afternoon from her sister's home in Michigan City, where she had been staying lately. She also stated that she had known the Heplers for about five years and had often been a visitor at the house. Her mission Wednesday, she said, was to assist the couple to pack furniture, as they were planning on vacating the S. Union st. home. Her parents, she stated, lived on a farm southeast of South Bend and were unaware of her predicament.

Cross examination by Deputy Pros. Sam Swartz brought out the fact that she had a police record, and had been twice arrested in South Bend on charges of delinquency. She was also a witness in the Jerry-Buts case in South Bend about four years ago and at that time was sent to the House of the Good Shepherd in Chicago, where she remained for 11 months. Judge Peig gave the girl a severe lecture and told her that if she would make a determined effort to lead a better life he would suspend a jail sentence. She promised that she would, and would return to the home of her parents to live.

The two young men in their statements to the court, said that together with another Mishawakan they had

planned the Wednesday night party and that when they arrived at the house they purchased beer, paying the third member of the party 50 cents for six or seven bottles.

Mr. and Mrs. Hepler on the stand told the court that they had been requested to purchase the beer for the party and had paid \$1 for 24 bottles, for which they received the money when the party arrived. They insisted that they were not operating a blind tiger, as they had not derived any profit on the beer. Another case of beer was found containing 12 empty bottles, but this case Hepler told the court had been purchased early in the morning and had been consumed before the party arrived.

Hepler, who is 53 years old, in a plea for leniency, endeavored to place the blame on his wife. He stated that he had often attempted to stop disturbances in his home but that owing to his age men coming to the house were able to do as they pleased. Mrs. Hepler pleaded lack of support, although she said that her husband earned \$2.50 a day when he worked. She gave her age as 48. Both were given severe lectures by Judge Peig.
